

## CHANGE UNDESIRE IN ACT ALLOWING R. R. COOPERATION

Head of Pennsylvania Railroad Asked by  
Pres. Coolidge to Agitate Question Among  
Other Executives—Interstate Commerce  
Commission Will Also Hold Investigation

(By the Associated Press)  
CHICAGO, Oct. 16.—There should be no tinkering with the transportation act of 1920 and its administration by the interstate commerce commission, declared Alba B. Johnson, Philadelphia, president of the Pennsylvania state chamber of commerce and president of the railway business association in an address at the annual banquet of the Illinois chamber of commerce here tonight. He urged the commercial organization to exert its influence on Illinois congressmen against any amendments of the act, none of which he said had been shown to be necessary. The transportation act of 1920, he said, was a factor which enabled the railroads "to pull together a war broken machine and perform two vital things for the people of the United States in the last two years—sustain general prosperity by purchases which flushed the payrolls in every center of manufacture and give the people transportation to carry the business thus created."

## FOREST FIRE IS CAUSE OF DEATH OF SEVERAL MEN

Fires Burning Fiercely  
Near Marquette,  
Michigan

(By the Associated Press)  
MARQUETTE, Mich., Oct. 16.—The charred and blistered bodies of the five men suffocated and burned to death in forest fires near Big Bay yesterday have been found and brought to Big Bay. The men are August Dauder, 32, Sam Klomens, 52, Simon Valuski, 56, John West, 38, and Ben Buskie, 20. All were sent to Big Bay a few days ago by a Chicago employment agency, and nothing is known as to their residence or relatives, some of them, it is understood are going under assumed names.

**Found Near Railroad.**  
The bodies were found 7 miles from Big Bay, more than one thousand feet from the railroad. Fires were burning fiercely today in a territory within a radius of thirty miles of Marquette threatening to destroy lumber camps, summer cottages, farm homes, large piles of logs on skidways and standing timber.

There are no fires near the Huron Mountain Club, a summer place for several wealthy people of Chicago.

The Greenwoods Lumber company camp near Ontonagon was burned to the ground last night. Many Fires Burning.  
Most of the central and western portion of the upper peninsula is dotted with forest fires and overhanging with smoke and unless rain comes within the next 48 hours, fire wardens estimate that the loss of standing timber alone on skidways, lumber camps, farm homes and other property will be the largest recorded in years. Fires have been more or less serious for 10 days. Sunday reports indicated that they were under control in most sections, but Monday a strong wind fanned them into new life and the conditions were more serious than ever Monday night and today.

## OIL INDUSTRY TO BE HELPED BY INDUSTRY

(By the Associated Press)  
CHICAGO, Oct. 16.—The sense of the conference of attorneys general from 24 states gathered here to go to the oil industry is not to hurt but to help legitimate industry, Attorney General C. S. Spillman of Nebraska chairman, announced tonight.

While he as well as the other 23 state and federal officials meeting in the conference refused to give out what was taken up with in the meetings today, the greater part of the day was taken up with facts and figures offered by L. W. Nicholas, president of the National Petroleum association said to represent the smaller independents and R. L. Welsh, secretary of the American Petroleum Institute said to represent the larger companies.

**TWO KILLED IN STREET DUEL.**  
Marshall, Texas, Oct. 16.—Sheriff B. B. Rodgers and Constable W. R. Proctor met on one of the main streets of Jefferson, county seat of Marion county this evening and shot each other to death.

## SYSTEM BLAMED FOR CONDITIONS UNDER DRY LAW

Senators Should Not  
Have Power to Name  
Men to Enforce

(By the Associated Press)  
WASHINGTON, Oct. 16.—William Allen White, Kansas editor, after a call on President Coolidge today issued a statement in which he declared the federal government was handicapped in its effort to enforce the prohibition amendment "by a system which permits United States Senators to control the appointment of federal enforcement officers in the states."

"If the senator is wet," he added, "the appointee will enforce it. If the senator is dry, the appointee will not. The North Atlantic seaboard states the senator appointments, wet enforcers and the governors of those states are tied hand and foot by these wet federal enforcers. The prohibition law cannot be enforced by the federal government under the system of patronage now prevailing unless the president of the United States does one of two things: either puts righteousness and the fear of God into the wet senators or breaks with them. Neither alternative is easy. It will require courage, audacity and great political skill in any case. But unless the president uses these qualities federal enforcement in the east here will continue to be a farce and if it is the Republican party in the west is lost and so the nation."

Mr. White expressed confidence that President Coolidge would be able to handle the situation.

**President Holds Conference.**  
Preparatory to the governor's law enforcement conference to be held Saturday at the white house President Coolidge called into conference today Secretary Mellon and Assistant Secretary Moss of the treasury and Commissioner Blair of the Internal Revenue Bureau and spent more than half an hour with them in a discussion of prohibition enforcement problems.

Beyond the statement that the program for the conference was discussed none of those who saw the president would comment on the meeting and it was not disclosed whether one of the subjects considered was the declaration made by Governor Pinchot of Pennsylvania at the recent citizenship conference here that prohibition enforcement should be personally directed by the president.

Secretary Mellon is known to regard the Pennsylvania governor's proposal as impracticable and unworkable. Inquiry at the white house today brought forth the statement that Mr. Coolidge had not considered any suggestion relative to supervision of prohibition enforcement except the recommendation made by Walter F. Brown, chairman of the joint congressional commission on departmental reorganization that the prohibition unit be transferred from the treasury department to the department of justice.

**CHICAGO INVENTOR  
MAKES WEIRD TEST**

(By the Associated Press)  
CHICAGO, Oct. 16.—Dropping a lighted match into a tank containing more than 1,000 gallons of gasoline while he stood above it was the test of an inventor to put to his "pet" here today in demonstrating a new floating, air-tight, fireproof top for oil tanks to a number of the leading oil company officials of the country.

The new top, declared an unqualified success after two years' demonstration will save more than \$200,000,000 annually by its fire proof and evaporation eliminating features, according to J. H. Wiggins, the inventor.

The top, constructed of heavy steel, forms a blanket which floats on the surface of the gasoline and fits tightly to the sides of the tank, thus stopping about 95 per cent of evaporation which is estimated by the United States bureau of mines to cause a \$20,000,000 loss annually. Its fire proof feature smothering the gasoline, is claimed to be the solution of a \$20,000,000 annual loss.

## TWO PRISONERS GET AWAY FROM OFFICERS

(By the Associated Press)  
CHICAGO, Oct. 16.—Thomas Ivers of Chicago and James Fordyce of Bloomington, Ill., handcuffed together broke away from a group of ten handcuffed prisoners at the entrance of the city hall today.

Hand-in-hand they hailed a taxicab and rode to the vicinity of the stock yards when the driver noticed when they paid him that they were handcuffed. He put the police on their trail and they were caught. Ivers was held on a charge of carrying a revolver and Fordyce was charged with disorderly conduct.

## EFFORT TO BE MADE TO CURB IMMIGRATION

Washington, Oct. 16.—Efforts to prevent the recurring monthly rush of immigrant transports to American ports will be made by Chairman Farley of the shipping board at the forthcoming Transatlantic passenger conference in London it was announced today. Mr. Farley will sail from New York Saturday on the Leviathan.

## DEMOCRACY IMPERILED IS THE OPINION OF LLOYD GEORGE

(By the Associated Press)  
CHICAGO, Oct. 16.—Five years after the world war, democracy which in 1918 won a great victory over autocracy, is in peril David Lloyd George, the war time premier of Great Britain declared in a luncheon address here today. A wave of autocracy seems to be sweeping the world, he declared, but against it the United States, Great Britain and France will stand together.

"Russia threw over democracy a few months after starting the experiment," the former premier asserted. "Italy, Spain, Bulgaria and now Germany is talking about a dictatorship. Democracy is in peril, in peril five years after the greatest triumph democracy has ever had."

"Now when Democracy is in danger, when I can see the throne of democracy tumbling in one land after another here you have a land of democracy. Britain is the land of democracy and France I believe, will stand by democracy, and whatever happens these three great lands together will stand against this wave of autocracy which seems to be sweeping over the world."

The arrival of the distinguished visitor in the city was marked by a great demonstration. Met at the station by a reception committee headed by Mayor Dever, Mr. Lloyd George was taken upon a drive thru the loop section, preceded by a band from Great Lakes Naval Training Station and an escort of cavalry and flanked and followed by mounted police and official cars. Crowds packed the sidewalks while others hung from windows and other places of vantage high up on the buildings. Confetti and streamers filled

## MORE AND BETTER HOSPITALIZATION URGED BY LEGION

Fifth Annual Session of  
American Legion Now  
in Progress

(By the Associated Press)  
SAN FRANCISCO, Cal., Oct. 16.—The fifth annual American Legion convention marked time here today while various committees endeavored to work out resolutions that would be acceptable to the entire membership of the legion.

The second day session will adjourn tonight without a report from any of the various committees reaching the floor of the convention. The entire day was devoted to the annual parade, addresses, presentation of cups and medals, and the reading of regrets from many prominent persons who could not attend, including President Coolidge.

**Trophy Presented.**  
The D'Olier trophy cup was presented to Pennsylvania and MacNider trophy cup was presented to Georgia in honor of the past commanders of the Legion. Medals for 100 per cent membership were presented to Georgia, Arizona, Idaho, Utah, Arkansas, Washington, South Carolina and New York states.

Frank T. Hines, director of United States Veterans' Bureau, principal speaker of the day stated the bureau was rapidly reaching the point where it could go before congress and advocate a more liberal policy regarding hospitalization. This policy he stated would include all ex-service men regardless of the war and regardless of the date that their disability occurred.

**Is Highly Honored.**  
Commander Owsley on behalf of the government of France, bestowed upon Major Charles H. Kendrick, of San Francisco, the Order of the Legion of Honor of France.

The legion's second day of the convention ended here tonight with a "Hi Jinks" by the legionnaires and a "Stagess" by the American Legion Auxiliary. Tomorrow's session it was stated would clear many of the problems now facing the convention.

## EX-ARIZONA STATE TREASURER ACCUSED

(By the Associated Press)  
PHOENIX, Ariz., Oct. 16.—David P. Johnson a member of the Arizona corporation commission was charged with misappropriation of state funds during his terms as state treasurer in 1914 and 1918 in indictments returned by the county grand jury. He was arrested tonight and released on bond of \$10,000.

## SEVERAL ARE KILLED IN MORO UPRISING

(By the Associated Press)  
MANILA, Oct. 17.—Two school teachers, one supervising teacher, one lieutenant, a sergeant and eight privates of the Philippine constabulary were killed by Moros last Sunday at a school house at Lake Buluan, Lanao Province, Island of Mindanao, according to advices received here. The aid of United States troops has been asked.

## OKLAHOMA FLOOD MAKES HOMELESS MANY THOUSANDS

Most Disastrous in  
History of State—  
Water Still High

(By the Associated Press)  
OKLAHOMA CITY, Okla., Oct. 16.—Staggered by the greatest flood in the history of the state and virtually isolated by rail and highway, Oklahoma City tonight sheltered her little army of refugees and waited for the muddy, turbulent expanse of the North Canadian river to recede.

Altho the river had fallen approximately two feet from the 25 foot crest that swept down on the city at 5 o'clock this morning the swift rush of the waters was still swirling thru streets heretofore considered immune from the ravages of the fitful stream.

**Thousands Homeless.**  
More than 2,000 of the 15,000 persons who fled before the onrush of the water still were homeless tonight. They were quartered in halls and churches thruout the city. The remainder of the host had returned to their homes by means of vehicles that passed, often hub deep, thru streets still filled with back water. The known dead list stood at two, but city officials and members of rescue crews declared it probably would be greater when the receding waters make possible a thorough search of the flood areas.

**The Known Dead.**  
The dead thus far known are Mrs. R. H. Loose and her daughter Clara, 3 years old who were drowned when a boat in which they attempted to rain land after tarrying in an effort to save their personal effects was caught in a mill race at Wheeler Park, a municipal resort and capsized. Rescue squads were still working at top speed tonight.

A negro family brought to land over more than a mile of racing waters told their rescuers that at least 75 other negroes were marooned on the brow of a hill, the only unsubmerged spot of what had been a negro settlement. They were reported without food or water and efforts were being continued to bring them to safety. At the city reservoir, where a break in a retaining wall precipitated the unprecedented flood upon the city, the water still was falling tonight with the 2,000 acre reservoir nearly two thirds drained.

**Damage Is Great.**  
No estimate of the damage could be made, but a city official said that it will "run into the hundreds of thousands."

With the lake draining, pumps turned and water into the river and the city water supply was maintained. Many stories of heroism were recounted as the work of rescuing the marooned continued.

With the crest of the flood past Oklahoma City, residents of the low lands in Shawnee and other cities south of here were preparing tonight to leave their homes.

## ANNOUNCE REDUCTION IN GASOLINE PRICES

(By the Associated Press)  
ATLANTA, Ga., Oct. 16.—The Gulf Refining company tonight announced a cut of two cents in the price of gasoline effective at 24 states of which the company operates, according to Charles E. Shepperd, district sales manager. The Standard Oil company announced it would take similar action. The primary purpose of the reduction, Mr. Shepperd said was to stabilize production and stimulate sales.

**Standard Makes Reduction.**  
Louisville, Ky., Oct. 16.—Reduction of two cents a gallon in the retail price of gasoline in the four states in its territory, Kentucky, Alabama, Georgia and Florida effective Wednesday was announced tonight by officials of the Standard Oil company of Kentucky.

## GRAND JURY RETURNS THIRTEEN TRUE BILLS

Ottawa, Ill., Oct. 16.—The LaSalle county grand jury today returned 13 true bills. George Kransh of LaSalle was ordered held for the murder of William Hubbard in one of the presentments and Luther Morris was held for the murder of Gus Gualds of Earlville in another. The other indictments were for minor charges.

## TORONTO SPEAKER SAYS AMERICA TO BLAME

Toronto, Oct. 16.—Americans are directing virtually the entire Canadian-American run running industry, according to a statement by General V. A. S. Williams, commissioner of the Ontario provincial police appearing in the Toronto Evening Telegram in refutation of the charge that Canadian bootleggers are keeping the United States moist.

## MOVE INSTITUTED CUT FREIGHT RATE ON EXPORT WHEAT

President of Pennsylvania Chamber of Commerce and of Railway Business Association Makes Point Clear in Address at Banquet of Illinois C. of C. Tuesday Night

(By the Associated Press)  
WASHINGTON, Oct. 16.—President Coolidge today asked Samuel Rea, head of the Pennsylvania railroad system, to institute a movement among railroad executives looking to a reduction in freight rates on grain destined for export. At the same time the interstate commerce commission announced it would proceed with an investigation to determine whether present railroad rates on grain and grain products are reasonable.

Mr. Rea it was indicated, may call other railroad presidents into conference on the subject. The commission's plan calls for hearings at times and places which will be fixed shortly. The commission temporarily denied the complaint of western grain growing states which has been pending before it for several months asking for a reduction in freight rates on grain and grain products in the west, but instead of dismissing the complaint, re-opened the case for more evidence.

Present rates the decision said had not been shown at previous hearings to be unreasonable while earnings of some lines were found to be low.

**Industry in Debt.**  
The agricultural industry in the west is heavily mortgaged and deeply indebted to the banks the decision said in touching upon the situation which led to the filing of the complaint. "The labor and capital of the grain-and-hay farmer in parts of the western district receive a reward much lower than in any important gainful pursuit, and this at a time when many other industries have shaken off the depression and have made rapidly and substantial strides towards recovery."

Notwithstanding this and the fall in grain prices, the commission concluded, the present rates on the products under consideration in the western district which includes territory west of the Mississippi and east of the Rocky Mountains had not been shown unjust nor unreasonable of themselves.

**To Study Grain Rates.**  
In reopening the case, it was further suggested that a study of grain rates in other parts of the United States be made that resulting rate revision might apply in all parts of the country. Commissioner Campbell and McChord dissented from the majority decision the former declaring in a separate opinion that immediate decreases should have been granted.

## TO RESUME PAYMENT ON SOLDIER BONUS

(By the Associated Press)  
SPRINGFIELD, Ill., Oct. 16.—Payment of the Illinois Soldiers' Bonus claims will be resumed within ten days or two weeks, according to an announcement made today after the sale of \$150,000 in bonus bonds to a group of Eastern Bond buyers, headed by the Guaranty Company of New York.

While the state has been without money with which to pay claims, the service recognition board has been busy and claims for approximately \$10,000,000 have been approved and the checks have been written in the office of the state auditor. The checks will be mailed out just as soon as the money is received in the state treasury which is expected to be within a week or ten days.

## SECRETARY DAVIS HAS REACHED ROCK SPRINGS

(By the Associated Press)  
ROCK SPRINGS, Wyo., Oct. 16.—Secretary of Labor James J. Davis, who left Salt Lake City in an airplane at 4:48 p. m. today landed here at 5:56 o'clock this evening. He will board a train here for Cheyenne.

Tomorrow morning the secretary plans to leave Cheyenne in another plane and fly to Chicago to meet Mr. David Lloyd George, war-time premier of Great Britain.

## LARGE AMOUNT IS LEFT FOR CHARITY

(By the Associated Press)  
KANSAS CITY, Mo., Oct. 16.—A fund of one million dollars was left for charity by Jacob L. Loose, chairman of the board of directors of the Loose-Wiles Biscuit company thru his will, which was filed for probate today. The money is to be used in relieving personal distress and sickness among the needy in Kansas City. The value of the estate was estimated by L. P. Ryland, attorney who filed the will, at approximately \$2,000,000 consisting principally of stocks and bonds.

## CONSOLIDATIONS ARE EFFECTED BY SHIPPING BOARD

Believed Solution of  
Troublesome Operating Problems

(By the Associated Press)  
WASHINGTON, Oct. 16.—Decision to consolidate the five active North Atlantic-United Kingdom trade routes and to eliminate entirely the managing agent system now in use upon them was announced today by the shipping board.

The place of the agents will be taken by one or more "loading agents" and supervision of the ships will be taken over directly by the board. A probable solution of the operation of the government merchant fleet was seen by board officials in the new plan which was said to be designed as an experiment. Upon its success and the returns shown by managing agents of other routes will depend the extension of the new scheme it was stated officially.

## Ship Reduction.

Considerable reduction is contemplated in the number of ships now being operated upon the five routes but Chairman Farley emphasized that this would not be carried for enough to hamper the service. A new trade name will be taken for the consolidated routes, the North Atlantic-United Kingdom line having already received favorable consideration.

A. J. Love has resigned as general manager of the emergency fleet corporation to become General Manager of the new organization and T. H. Rosshottom, also connected with the fleet corporation is expected to be transferred to the United States lines in an executive capacity.

**Lines Wiped Out.**  
The lines wiped out by the consolidation include the Blake Steamship company, Baltimore Steamship company, Baltimore Oceanic company, Export Transportation company and the Moore & McCormick company, serving routes from New York, Boston, Philadelphia, Baltimore and Hampton Roads to the United Kingdom.

## OFFICIALS CONFER ON PITTSBURGH PLUS

(By the Associated Press)  
CHICAGO, Oct. 16.—The first meeting of the recently organized state opposing "Pittsburgh plus" will be held here tomorrow with a number of attorneys general now here for a conference on the oil industry expected to attend. The association movement started with the appropriation of \$50,000 by Illinois, Iowa, Minnesota and Wisconsin to form a joint commission to fight this method of steel price fixing. Co-operation of other states was invited with the result that fifteen additional states are now aligned with the original quartet.

The Masons who have assembled in convention in Washington, sent a greeting to President Coolidge and a pledge of loyalty. They did not follow the custom of a personal call and asking for a brief handshaking audience with the president. This change in program was intentional and

with the good motive of saving the president's time and strength. It is a good example for other organizations and many individuals.

Secretary Davis is reported to have made the trip by air from California to Mooseheart in order to be present at the time of the visit of Lloyd George. The secretary of labor is too valuable a member of the president's cabinet to be taking this risk.

## LOST DIPLOMATS

The expected resignation of two American ambassadors brings to prominence once more the fact that this influential and wealthy country underpays some of its most important officials. It may be democratic to hold that a public servant should gladly take a portion of his remuneration in the satisfaction of service to his country. In practice that policy is most undemocratic, for it excludes competent and qualified citizens of limited means from holding high public positions including the important positions in the diplomatic service. It makes those officers very nearly a monopoly of persons of wealth.

It may also be a kind of economy to pay low salaries to public servants and to count on their patriotism to make up the difference between salary and expenses from their private incomes. But it is a very poor sort of economy to lose the services of efficient men because of inadequate pay. Training and experience, both particularly necessary to efficiency in diplomatic fields, are lost when there are frequent changes of ambassadors and ministers.

The public should think of these things rather seriously and encourage Congress to do the same when it convenes.

## MOVING CRIMINALS

One great cause of all the trouble with crime and criminals is the practice of passing them on.

The authorities let a man off "if he will leave town at once." He leaves. There seems to be an idea that an order to leave town will strand the criminal in space somewhere. He still eats, drinks, sleeps and takes up room in the world. Where does he go? To the next town, of course. Or to the next town, already overcrowded with criminals.

Of all the senseless methods of procedure of which humanity is guilty, this one seems one of the most senseless and weak-minded. The criminal is there. A wave of the hand neither eliminates him nor reforms him. It is merely an evasion of the main issue, a passing of the buck.

The criminal is there. If it is his home town, and he is young, he can be given a chance to make good under parole. If he makes good, he is no longer a criminal. If he remains criminal, he should be detained so that he can no longer make trouble for normal people. Making the next town suffer is no remedy.

Besides which, the next town retaliates. An endless chain of criminal force is let loose on the land.

## ELUSIVE JOY

Savages on South Sea islands get more satisfaction and happiness out of life than we do with our incessant pursuit of the dollar. Dean Charles R. Brown of Yale Divinity School, makes this comment. It is open to argument. But happiness certainly requires more than material possessions.

For instance, the early American pioneer who farmed his 10-acre clearing in the forest undoubtedly was happier than the modern farmer with his fields stretching as far as he can see.

The happiest people seem to be the ones with simple wants. It doesn't take much to satisfy them. That's why there's something appealing, to all of us, in the home simply and comfortably furnished, with a touch of luxury here and there. On the same principle that the young woman who can afford only one diamond gets more real joy from her lone

# Old Jacksonville

## SOME OLD ITEMS

(BY ENSLEY MOORE)

Member Illinois Historical Society

Jacksonville has had a good many well meant attempts at business enterprises, which did not succeed, and some that won out.

## Capps' Mills.

Our colossal success has been in the factory, begun in a small way, but continually growing, known as Capps' Woolen Mills. They were established in a small way, back of 1840, by Mr. Joseph Capps, and they have not had time to stop growing since, although the third or fourth generation of the family are in them now.

It is not hard to find them. Anyone passing thru here on the Wabash railway can see them without extra charge, at the Church street crossing.

## The Home Mills.

An outcome of the Civil War was the establishment of many such factories in Illinois.

One was that of the Home Mills on South Main street, just south of the Brook, where a handsome plant was laid out, and the wheels started. But one morning the fire fiend laid hot hands on the establishment, and it went up in smoke, as the capital had been going up from the first.

## The Car Works.

These were started with a good capital in 1873. A small contract was filled and the panic of 1873 came along. The works were closed temporarily. The enterprise was turned into an attempted agricultural implement factory.

Then T. C. Dutro, of St. Louis, took the concern over, building flat, and other kinds of cheap cars for several years. Things went wrong and that shop had to shut and pay up.

## The Sulkey Plow Works

This concern, out at the Junction,

undertook to manufacture a certain patented, sulkey attachment for plows, harrows, etc.

But the machine drove too easily the wrong way, and it stopped. It ran for some time as a foundry.

## Several Factories.

The shirt factory did not clothe all who needed such coverings, although, of course, the prospect looked good to those in the undertaking.

## A Broom Factory

This did not even put the School for the Blind out of business, and it soon ended its career under over sanguine management.

Some of these attempts were laughed at, but they were well meant, and their projectors were at least entitled to the thanks of the community.

## But there were Others.

Since those days of failure Jacksonville has seen the establishment of a number of other kinds of factories and works which have grown and expanded and afforded employment for many of our younger and older people.

These have included planing mills, cigar factories, laundries, clothing manufactories and other places of lesser note.

## Flour Mills

Jacksonville, from first to last, has had a number of flour mills, which have done a large business and given a good local market to our agriculturists.

## The Creamery.

One of the apparently paying things of late years has been a creamery, which has also been of much value to our country people, as a depot for their local supplies.

Every person who has sought to build up home factories is entitled to the gratitude of the city, and neighborhood.

## MERCHANTS LOSE \$75 BY FORGERY

A forger who succeeded in swindling local merchants out of about \$75 visited the city last Saturday night. Smith Meat Market lost \$27.80; A. & P. store, \$12.70; Wildmeyer Market, \$22.80; and Dorwart Market, \$24.40.

The man who presented the checks was a total stranger and was not recognized by any of the clerks in the stores. However, his checks seemed genuine. They were signed by "E. J. Rawlings" and were drawn to the order of "James Carlson." As soon as it was discovered that the checks were worthless, police were notified. Mr. Rawlings, who is employed at the Kellogg Machine shops, stated that no one named Carlson had worked there and that the checks were forgeries. No trace of the man who committed the crime has been discovered.

## WENT TO SPRINGFIELD FOR STATUE UNVEILING

A number of Jacksonville people went to Springfield Tuesday to be present when statues were unveiled honoring the memory of War Governor Richard Yates and Governor John M. Palmer. Among local people present were Mrs. F. H. Rowe and Mrs. H. P. Samuell, relatives of Governor Yates; Mrs. E. C. Lambert, Miss Edna Epper, Mr. Ensley Moore, long time friend of the Yates family; Mr. and Mrs. E. C. Vickery, Mr. and Mrs. John Vickery, L. Goheen, John Minter, Matthew Minter, Col. O. C. Smith and Mr. and Mrs. W. A. Westrope.

Grover Redman of Barry transported business in the city Tuesday.

# AMERICAN LEGION PLANS FALL PROGRAM

Three Events Announced in Which Public Will Be Interested—Committee Named to Help Maintain Oak Lawn

Jacksonville post of the American Legion made a substantial contribution at the session last night to the Salvation Army fund. The post also went on record as favoring the continuance of the tuberculosis sanatorium and a committee was appointed to meet with committees of other organizations at Central Christian church Monday evening, October 22, when affairs relating to the sanatorium will be discussed.

Announcement was made of several activities that the post has in prospect. The first of these will be a Halloween dance to be given Wednesday, October 31, at the Auto Inn. November 21, the Welch Rhonea Glee singers will be here for a concert. The organization includes 16 members and they have been awarded prizes a number of times in international contests.

December 17 and 18 the World war picture "Illinois Troops Under Fire," will be presented at the Grand Opera house. This great film has caused enthusiasm in all the larger cities where it has been shown and the people here can look forward to a real treat.

The committee appointed to represent the post in the tuberculosis convalescence includes E. J. Henderson, W. J. Hauck, W. D. Erickson, C. W. Ratschak, Hayden Walker, H. P. Bradney, G. H. Hughes, O. E. Franks and H. E. Woodman.

# COLLEGE STUDENTS FORM CLASSICS CLUB

Forty from Department of Ancient Languages on HBI Met Last Night at Lacey Home and Chose Officers

About 40 students in the Latin and Greek department of Illinois college met last evening at the home of Prof. R. H. Lacey and organized a Classical club. The following officers were elected: President—W. B. Morgan. Vice president—Miss Elinore Daigh.

Secretary—William Johnson. The club expects to meet every two weeks on Tuesday evening during the coming year. Some interesting programs are being planned along classical lines.

Inasmuch as more interest than ever before is now being manifested in the ancient languages, many additional students have signified their intention of joining the new club, which hopes for good success.

## FRANKLIN DOMESTIC CIRCLE ENTERTAINED

Meet With Mrs. Lewis—Parent-Teachers' Association Hold Session—Husband's Birthday is Honored.

Franklin, Oct. 16.—The Domestic Circle met this afternoon at the country home of Mrs. Otho Lewis with a large attendance, including several guests.

During the afternoon a splendid program as given below was rendered:

Paper—Little Things That Help to Make a Home, paper by Miss Alice Criswell, read by Mrs. Keping.

Paper—The Story of Ehandi—Mrs. Charles Gibson.

Current Events.

At the close of the program dainty refreshments were served by the hostess.

Among the guests present were Mrs. Luther Wiley, Mrs. Charles Cussins, Mrs. N. Schütz, Mrs. Jerry Ryan, Mrs. O. E. Ryan, Mrs. Charles Watts, Mrs. A. L. Lukeman, and Mrs. John Strawn.

The regular meeting of the Parent-Teachers Association was held this evening in the high school building at which the following program was given:

Song—America, the Association.

Duet—Miss Nona Hart and Miss V. Lina Teaney.

Address—Reverend Sherman.

Quartet—Four High School Boys.

The program was followed by a brief business session and after the close of business a social hour was enjoyed at which time the high school students served candy which had been made by the girls of the Domestic Science class.

Mrs. Otho Lewis entertained a small group of intimate friends at her home this evening in honor of Mrs. Lewis' birthday. The evening was spent very enjoyably with music and games and the hostess served pleasing refreshments during the festivities, and the guests departed late in the evening after wishing Mr. Lewis many more happy birthdays.

### OBITUARY

William Mehrhoff, son of Christian and Mary Mehrhoff, was born in Germany Sept. 13th, 1844 and passed away at his home in Barrow, Ill., at 2 o'clock A. M., Oct. 12, 1923, aged 79 years and 29 days.

He came to this country from Germany at the age of 4 years, and settled with his father at Cincinnati, Ohio, and later moved to Indiana and made his home with his uncle until 10 years of age. Leaving Indiana he came to Illinois and settled near Manchester, Ill., and has lived continuously in this section of the country for almost 54 years.

In the year 1870 he was united in marriage to Persis DeWolf, of Manchester, Ill. To this union were born 14 children, six of whom died in infancy, and one grown son, James died in the year 1910.

The remaining children are: Mrs. Priscilla Lucas, Mrs. Nellie Spencer, and Mrs. Hannah Edwards of Manchester, Ill.; William Mehrhoff, of Murrayville, Ill.; Loyal A. Mehrhoff of Winchester, Ill.; Elmer C. Mehrhoff, of Barrow, Ill.; 24 grandchildren and one great-grandchild, Virginia Brown; one half-sister, Mrs. Mary Erickson, of Cincinnati, Ohio, was with him at the time of his death.

In the year 1904 Mr. Mehrhoff left his farm home and removed to Manchester in order to give his sons a better education. His wife departed this life on January 2, 1911, but the family home was maintained until the marriage of the sons. Mr. Mehrhoff united with the Presbyterian church in 1908 and lived a consistent Christian life thereafter.

In 1921 he removed to Barrow, Ill., and in the early fall of 1922 his health began to fail. He was never again in rugged health; his condition did not cause concern to his relatives until recent weeks. He was cheerful and patient thru the long months of ill health, a constant reader of the Bible and a conscientious follower of its teachings. During his long period of ill health Mr. Mehrhoff had the loving care of his children and everything possible was done for his comfort. He was a loving father and a kind neighbor and a valued citizen of his home community.

## SALVATION ARMY DOES SPLENDID WORK HERE

Many Workers Engaged This Week in Raising Fund for Local Corps—Bread Distributed to Needy

The work of raising funds for the local Salvation Army work this week is progressing in good shape. People are never hesitant in giving to this organization, which combines practical religious service with deep spiritual efforts. What the Salvation Army is doing for Jacksonville in its quiet and unobtrusive way was explained last Sunday morning when workers of the organization were given a few minutes at the morning services in the various city churches. Last year more than 600 pieces of clothing were distributed to needy families and persons. The number of persons in need who were visited was 587. More than 600 transients who were given shelter for the night at the city police station, were furnished in the morning with a ticket which entitled them to wheat cakes and coffee at a local restaurant. The work done thru the work of the Salvation Army. The sum of \$3,500 is needed for the local work.

A number of prominent people are lending their efforts to push the campaign, in order that this organization, which, as one pastor phrased it, does work that the churches cannot do, may be able to continue its good ministrations in this city. Here is a list of the workers:

Ellis Henderson and Henry Frisch; Frank Wanamaker and George Douglas; Henry Frisch and James I. Graham; Bert Andre and Frank Caldwell; Clarence Lukeman and Robert Mullenix; Len Magill and J. A. Long; Fred Hopper and Clarence Swaby; Thomas Coyle and M. E. Gilbert. Frank Baker has been assigned a territory to be canvassed by himself.

H. J. Rodgers is in charge of the solicitation in the various institutions and factories of the city. The canvassers who are working under his direction are as follows:

Clover Leaf Company—E. L. Kinney.

Routt College—Prof. J. W. McDonald.

Swift & Co.—Dean James.

School for the Deaf—Col. O. C. Smith.

School for the Blind—R. W. Woodson.

Jacksonville State Hospital—Dr. E. L. Hill.

Powers, Begg & Co.—Fred Begg.

Passavant Hospital—Miss Ida Verner.

Our Savior's Hospital—J. J. Kelly.

Norbury Sanatorium—V. R. Riley.

McCarthy-Gebert Co.—McCarthy, Gebert Co.

Brown's Business College—G. C. Claybaugh.

Jenkinson-Bode Co.—C. J. Buhner.

Illinois Power & Light Co.—E. H. Gray.

Illinois Telephone Co.—J. H. Dial.

Illinois College—C. H. Rammelkamp.

Illinois Woman's College—A. C. Metcalf.

Illinois Steel Bridge Co.—T. W. Beadles.

Avers National Bank—Fred Sharpe.

El Bridge Co.—Lee A. Sullivan.

Capps, Woolen Mills—H. M. Capps.

Recently the local Salvation Army worker received from one of the bakeries a gift of 87 loaves of bread. He promptly distributed them among needy families in the city. At the meeting Sunday afternoon under direction of Major J. W. Andrews of Peoria, 19 children professed conversion. The meeting at the barracks Sunday evening was largely attended, and three persons were at the altar.

WITH THE SICK

Mrs. Charles R. Hopkins of North Prairie street is a patient at Passavant hospital.

Mrs. Herman Shanken, who underwent a very successful operation for relief of appendicitis at Our Saviour's hospital Monday morning, is improving rapidly.

BIRTHS

Born to Mr. and Mrs. Charles Drury of Alexander, Tuesday morning at Passavant hospital, a daughter.

WINCHESTER

Mrs. Fred Dreese of Chicago is here for a visit with her parents Mr. and Mrs. Charles Sibert on North Main street.

The Scott county Anti-Tuberculosis association at a recent meeting went on record as supporting the movement which is now on foot to close the sanatorium in Morgan county. The Scott county association expressed approval of the plan to make this a district sanatorium.

Dr. William O'Reilly and Geo. Thomas left Monday for Excelsior Springs, Mo.

A little son was born Monday to Mr. and Mrs. George Drew. Frank Stofft returned Monday to his home in Moline. Mr. Stofft remained for a longer visit with relatives here.

CARD OF THANKS

We wish to thank our neighbors and friends for their kindness during our recent bereavement, the death of Mrs. Jewell Clark. Also for the floral offerings.

T. H. Robinson,  
Mrs. Minerva Milan.

## SLOW PROGRESS MADE IN CORN HARVEST

Greene County Farmers Have Made Slow Progress in Corn Cutting—No Change in Water Supply Situation

White Hall, Oct. 16.—Farm operations have been making rather slow progress, according to the weather and crop report for this station for the week ending Monday, and a very small per cent of the corn is cut. Much corn will be shucked from the stalk on account of it being down, and a lot more will be hogged down. The labor shortage and high wages are contributing factors in the slow progress of the corn harvest.

The season has been backward for wheat sowing, but it appears that the curtailment of the acreage will not be as much as earlier reports indicated. Spring wheat is not grown here. Meadows and pastures are in good condition. One farmer has cut the fourth crop of alfalfa, but the third cutting last month concluded alfalfa cutting with this one exception. Timothy, cow peas, soy beans and what little clover there is have been cared for, and the last of the local crop of watermelons has been brought in. Fall apples have been harvested, and the winter harvest of apples is now well under way.

There has been no change in the water supply situation, and the only relief lies in the providence of the Divine. The municipal supply is being provided from the regular source, and an arrangement has been concluded for utilizing the supply in the Roodhouse reservoir, only a mile north of the White Hall reservoir, contingent on the permission of Ed Vantuyte to cut a small ditch thru his land for half a mile of pipe. The Roodhouse spring supply has improved so well that the reservoir is not needed for reserve, the stage becoming so high that some of the water has been run out. This will give White Hall approximately fifty million gallons with which to tide over the drouth period. It is to be pumped into the White Hall reservoir.

The total rainfall for the week was 1.02 inches, falling since Saturday, and more rain is in sight as this report is penned. The highest temperature reading was 79 on the 11th, and the lowest 37 on the 10th.

Mrs. W. H. Whittington of Herrick, Ill., is visiting her sister, Mrs. Harriet Mount on North Church street.

Mt. Zion supper of Oct. 18th postponed indefinitely. Pie Social and entertainment Wednesday, October 24th, 7:30 P. M., at The Narrows School. Admission free. Everyone come. Ladies bring pies.

for tomorrow's election of a junior warden in the Grand Lodge of the Illinois Odd Fellows was evident here tonight as the four divisions of the organization ended a day of sessions.

After the election today L. A. Sanders, Marion, a grand junior warden of the Grand Encampment, the delegates centered their activities on tomorrow's election which is declared to be the most important business to be transacted during the convention.

Supporters of Roy H. Johnson, who last year was second highest candidate for the junior warden, are contending that he will be elected by a large plurality. Equally confident are the friends of A. G. Nauman, Chicago; Dr. C. A. Young, South Chicago; Rev. O. F. Jordan, Evanston; J. Marshall Miller, Jacksonville and W. A. Murphy, East St. Louis.

Luella McCool, Springfield, believe their candidates will finish victorious.

While lodge politics occupied the minds of the delegates, a touch of state politics came from friends of Grand Master John D. Phillips, Green Valley, who declare he will enter the Democratic race for governor. Mr. Phillips up to this time, however, has made no formal announcement of his candidacy.

Grand Representatives  
The post of grand representative of the grand lodge which has been held in the past years by the late James Ewing Davis of Chicago, probably will be occupied in the future by A. L. Yantis Shelbyville. The selection will be made tomorrow, and as Mr. Yantis this far has no opposition there is talk tonight of making his election to the place unanimous.

### TO CURB PLUMBERS WITHOUT LICENSES

SPRINGFIELD, Ill.—(By the A. P.)—State action to halt the activities of unlicensed plumbers will take a more vigorous turn, according to A. M. Shelton, director of the state department of registration.

"Too many factory workers and machinists in the state have been practicing plumbing on the side, without a license," Mr. Shelton said. "The majority of this unlicensed work by 'part time' plumbers is done on Sunday, another violation of the law."

The purpose of the drive is two-fold, according to Mr. Shelton. First to protect the homeowner from having defective plumbing done. Secondly to protect members of the plumbing union who annually pay license fees for the privilege of conducting a lawful plumbing business, he said.

Mr. Shelton said that in the majority of cases the plumbing was not done according to regulations and therefore was considered defective.

The state law provides for a minimum fine of \$25 for the first offense of practicing plumbing without a license, or on Sunday. Mr. Shelton intimated that unless this unlawful practice came to a halt prosecution would vigorously be resorted to.

Fifteen, full time men, are employed throughout the state to carry out law enforcement with respect to the ordinances of this department of registration. The men have been instructed to deal with such cases severely.

## STATUES UNVEILED IN SPRINGFIELD

State Pays Honor to Memories of War Governor Yates and Governor John M. Palmer.

Rain interfered to some extent with the program at the unveiling of statues of two former governors of Illinois, War Governor Richard Yates, and Gov. John M. Palmer. The unveiling ceremonies were in the state house grounds, but it was necessary on account of the unfavorable weather to carry out a part of the program in Memorial Hall.

Gov. Small presided and made a brief address. Circuit Judge Norman L. Jones summarized the achievements of Governor Palmer and paid a tribute to him as both a private citizen and as the chief executive of the state.

Congressman Yates delivered the address in memory of his father, who is accounted as one of the most honored citizens of Illinois. Jacksonville takes historical pride in the fact that he was for so many years a resident of this city.

In the tribute to his father, Congressman Yates said:

### Life Facts Revealed

The life of Richard Yates, born 1818 and died 1873, touched many phases of human existence and activity. There was first the boyhood in the log cabin in Kentucky from 1818 to 1830 in the town of Warsaw, Gallatin county, Kentucky. Then followed student days first at Miami University, at Oxford, Ohio; next at Illinois College at Jacksonville Illinois, and finally at the Law School of Transylvania University at Lexington, Kentucky. Then followed years at the bar and on the stump. Then followed six years in the Legislature—he winning three elections, 1844, 1846 and 1848. Then followed four years in the National House of Representatives at Washington, from 1851 to 1855. Then followed a railroad presidency for five years, 1855 to 1859. Then followed the Governorship, 1861 to 1864. Then the Senatorial experience, 1865 to 1871. Then the last two years, which were full of the peace and happiness of home.

### Public Service

The vital things in his life were his services in the House of Representatives and Senate at Washington and his service as War Governor of Illinois. During his service as Congressman he fought for the Homestead bill, roads and railroads, canals and other improvements and obtained the first appropriation for an improvement of the Illinois River. He sacrificed his congressional seat by voting against the repeal of the Missouri Compromise, well knowing he would be punished by being too extreme on the slavery question. His speeches were greatly admired. His Senatorial experience included the impeachment trial of President Andrew Johnson before the Senate and he voted for conviction. He supported emancipation and universal suffrage and gloried in being a radical senator, with Charles Sumner, Oliver P. Morton and John Sherman.

### The War Governor

His most brilliant service was as War Governor of Illinois during four years of the Rebellion. He discovered Ulysses S. Grant, appointing him assistant in the office of the Adjutant General and then mustering officer and finally Colonel of the Twenty-First Illinois Volunteer Infantry. By proclamation he procured or dissolved the Illinois Legislature in 1863, alleging that Legislature was acting in sympathy with the Southern Confederacy. Under his supervision Illinois equipped two hundred fifty-nine thousand union soldiers. He earned the title of the soldiers' friend because he chartered steamboats and went to every battle field and brought home thousands of wounded Illinois soldiers. He had no appropriation and paid the expenses by appeals to his friends.

He was an intimate friend of Abraham Lincoln for thirty-three years. He was the first president of the Tonic and Petrusburg Railroad Company—the forerunner of the Chicago & Alton.

His family is proud that Major General John A. McClernand said that he was chivalrous and honorable, impulsive and generous, ardent and imaginative, ambitious and patriotic, viewing everything from an elevation; and his eloquence was as the harp, strung to the softest and wildest melody, which at times swayed the Senate and at times stirred or stilled the wondering multitudes.

### APPOINTED TO IMPORTANT POSITION

Word has been received in Jacksonville that W. N. Smelser, of Emporia, Kansas, has been appointed Judge of the Court of Appeals of the Department of Labor at Washington, D. C. Mr. Smelser was raised in Jacksonville and was an old schoolmate and friend of Samuel Hunt.

### HENRY STOCK SALE DREW LARGE CROWD

Thoroughbred Hogs and Cattle Sold  
at Top Prices—Breeders From  
Many Counties in Attendance.

A large crowd made up of breeders and hog and cattle buyers from several counties, assembled yesterday at the J. L. Henry sales barn at Woodson for the annual Henry thoroughbred stock sale. Col. Charles Campbell of Petersburg, assisted by W. H. Crum of Litchfield, sold the cattle. J. L. Henry auctioned off the thoroughbred hogs. The ladies of the Woodson Christian church Aid society served lunch on the grounds and added a considerable sum to their treasury.

The cattle sold well and the top price paid for a cow was \$91. Calves and yearling heifers ranged in price from \$18 to \$26.

The top price paid for a boar was \$73 and for a sow \$50. Many of the best boars went to Macoupin county, to head the herds of some of that country's best known breeders.

### MAN BELIEVED DEAD STILL LIVES

A news story was published several weeks ago indicating that the man whose dead body was found at a lonely spot north of Arenzville was John Streiff of Springfield.

Now it appears that Streiff is very much alive and is working for a coal mining company at Benton. Streiff's father of Moberly Mo., and his sister visited Arenzville and it was after their examination of the clothing and statements with reference to certain marks of identification that it was practically decided that Streiff had met with foul play and his dead body had been hid in the brush.

Now with the information that Streiff is still alive, the mystery of the dead body is unsolved.

### WEATHER DID NOT MAR INDIAN FETE

Successful Event Given Tuesday  
Under Auspices of Rev. James Caldwell Chapter D. A. R.

In spite of the showers and threatening weather yesterday afternoon and evening, the Indian Fete given on the lawn of Mr. Gates Strawn's lovely home by the D. A. R., was a success. The lawn was beautifully and artistically decorated with Indian tents here and there, corn shocks, and camp-fires, which were lighted in the evening. After dark the lawn was lighted up with many colored electric lights, which gave a particularly effective and pleasing atmosphere.

Following the supper there was an interesting and very entertaining program which consisted of Gypsy Dances given by the Rhythmic Classes of Illinois Woman's College; Indian Camp-Fire Dances, by the pupils of Miss Betty Palmer, and some especially good readings on Indian Life and Nature Lore, by Rev. W. H. Marbach.

Miss Elie Trabue was the general chairman of all the booths, and Mrs. W. Barr Brown was her assistant.

The artistically arranged and well equipped booths were one of the principal features of the occasion and included the following: The Farm Produce and Market Booth, of which Mrs. Carl E. Black was chairman, the committee including Mrs. John L. Johnson, Mrs. Howard Stevenson, Miss Maria Fairbank and Mrs. David Reid.

There was a Hamburger booth, with Mrs. George E. Baxter as chairman and Mrs. W. B. Rogers and Mrs. S. W. Black on the committee.

Of the Weiner and Ham Sandwich booth, Mrs. C. J. Johnson was chairman and Mrs. Harry Brady, and Miss Ruth Mathews made the committee.

The very beautiful Indian Basket booth had as its chairman Miss Mary Wadsworth and as committee members Mrs. J. W. Hubbell and Mrs. Herbert Capps. Popcorn and Peanut booth, Mrs. F. J. Waddell, chairman, and Misses Frances Waddell, Belle Palmer and Lynette Mae Brown on the committee.

Candy booth, chairman Mrs. S. W. Babb, committee, Mrs. H. H. Havenhill, Mrs. Nelson McMurphy and Mrs. H. M. Andre.

Refreshments booth, Mrs. W. T. Wilson, chairman, committee Mrs. E. E. Crabtree and Mrs. W. A. Bancroft.

The fortune teller, who was popular and very busy, was Mrs. F. V. Correa.

### STRAWMATT SALE IS HELD AT NORTONVILLE

### CAN'T HEAR BUT PLAY THE GAME

The Illini, the daily published at the university of Illinois, uses this paragraph in referring to the recent visit here of the Champaign high school football team for a game with the Tigers of the school for the Deaf:

"They Can't hear. And they can't talk either. But they are good football players. That is what the Champaign boys found out yesterday, when they played the Deaf and Dumb high school team at Jacksonville. It is ever thus. We seldom do our best when everything is going all right. It takes hard knocks to show us what we can do. And plenty of them. Last year the same team put up a stiff fight in silent battle on the Champaign field. And although they lost, they conquered in far greater way. For their spirit will live with others."

### WOOD-COLWELL VOWS SAID HERE TUESDAY

John Colwell and Miss May Wood Wed at Pontius Home—Will Reside at Alexander.

John Colwell of Alexander and Miss May Wood of Jacksonville were united in marriage at 5:30 o'clock yesterday afternoon by Rev. M. L. Pontius at his residence on West College avenue. They were attended by Miss Irene Wood of Murrayville, sister of the bride, and William Colwell of Beardstown, brother of the groom. Later the wedding party took lunch at the Peacock Inn, and the bridal couple left immediately on a short wedding trip.

The bride is the daughter of Mr. and Mrs. William Wood of Murrayville. She formerly attended Brown's Business college, and has been for some time employed as bookkeeper at the Cloverleaf Press here. She is well and favorably known by a wide circle of friends at Woodson and Alexander, where she formerly resided.

The groom is a son of the late Mrs. Margaret Colwell. He is a graduate of Brown's Business college and at present holds the position of rural mail carrier out of Alexander. The young people will make their home at Alexander.

### SANITARIUM FORCES GATHERING STRENGTH

Big Community Dinner to be Held Monday Evening—Legion and Medical Society Take Stand for County Sanitarium.

Announcement was made last night that the Morgan County Anti-Tuberculosis Association is arranging for a community dinner to be held next Monday evening at Central Christian church, at which ten representatives from each of the civic, religious and scientific organizations in the county are expected to be present. This will mean an attendance of about 200 persons. A speaker will be on hand from St. Louis for an address.

This announcement was made at the regular meeting of the local American Legion post, and met with a hearty response from the ex-service men, who adopted resolutions to the effect that the Legion is to a man behind the effort to keep the Tuberculosis sanitarium for the county. Dr. H. C. Woltman explained the matter and enlisted the support of the Legion.

At a called meeting of the Morgan County Medical Society held last night at the public library, resolutions in support of the sanitarium were adopted without a dissenting voice. The meeting was called for the purpose of deciding the attitude and policy of the society regarding the continuance of the tax for the Glackin fund the county Tuberculosis Sanitarium.

### Medical Society Outlines Policy

The following resolutions were adopted:

Whereas, The death rate from tuberculosis has been reduced 50 per cent in the past 16 years and we still have a death rate of 19 persons each year in Morgan County, and each death from tuberculosis indicates an existence of from 5 to 9 living cases in the County (95 to 179), and

Whereas, An effective program to lessen tuberculosis has been carried out successfully in other counties in this State, which program includes a county wide nursing service, clinics and sanitarium care, and

Whereas, We have a site and Sanitarium unusually well adapted for the purpose of a tuberculosis Sanitarium, and which could easily be developed into a district institution and thereby lessening the expense of this work to Morgan County, and

Whereas, We believe the present difficulties have not arisen from any defect in the Glackin law, but are entirely due to the method of its administration.

Whereas, The expense of the Morgan County Sanitarium for the care of patients has not been excessive as compared with other county sanatoria of similar size, but that the per capita cost may be materially reduced by increasing the number of patients cared for.

Whereas, The County Sanitarium is not in any way inconsistent with a general health program, but on the other hand, is an absolutely indispensable part of it.

Whereas, The carrying of the proposed vote to discontinue the Sanitarium tax would cut off all money from the Glackin funds for tuberculosis work in Morgan County.

Therefore, The Morgan County Medical Society wishes to cooperate with all existing health programs and to put itself definitely on record as opposing the discontinuance of the tuberculosis Sanitarium tax, and urgently advise all citizens to vote NO on proposed ballot relating thereto.

We recommend to the Morgan County Commissioners an entire reorganization of the Board of Trustees for the Sanitarium fund.

### CHAPIN TO HAVE A HOME TALENT PLAY

On the 29th of November, Thanksgiving evening, a home talent play will be presented under the auspices of the Chapin Musical Concert company.

The name of this play is withheld until a later date. However, it is sure to be good and an evening of enjoyment may be had for the small price of admission.

The company, under the leadership of Miss Gertrude Curtis, of Jacksonville, will furnish its own music.

### ILLINI LODGE HELD ITS REGULAR SESSION

Illini Lodge No. 4, I. O. O. F., held a regular meeting last night at the Temple on East State street. Several enthusiastic booster talks for the good of the order were made, and the committee having in charge plans for the homecoming Tuesday, Oct. 23, reported good progress. Several members signified their intention of attending the Grand Lodge parade in Springfield today.

### HI Y ATTENDANCE GROWS EACH WEEK

The regular meeting of the Hi Y Club was held last night at State Street Presbyterian church with about 65 members present.

Minutes of the last meeting were read and approved. Vice President Willard Johnson led in cheers for the ladies in appreciation of the excellent supper served.

Bud Boruff and Med Parker, Illinois college students, were called upon for short talks. A report was made by Chairman Metcalf of the camp committee, in which he stated that the committee could not at present secure a camp site but later would probably be able to find a place for an outing.

President Baldwin then told of the importance of the different committees holding meetings.

It was also announced that the Hi picture would be taken Wednesday noon. A motion was made and carried that a committee be appointed to investigate the proposition of making some money for the club.

The president made a report on the Hi Y camp at Decatur. Those appointed on the committee to see about making money were Robert Reid, chairman, Edward Saye, Willard Johnson, Kenneth Rawlings and William Chapman.

The meeting was then turned over to Rev. Marbach, who took as his topic "Jesus Christ" at "Customs." Dr. Marbach is following the plan of devoting a part of each discussion period to Biblical subjects, and the remainder to certain phases of modern life.

## A Parable

Once there was a Woman who went Shopping for Silverware in the Bazaars.

And lo, in the First Shop she Visited the Merchant displayed his Wares, yea, even to his Best, which he called Alvin Plate.

But the Woman being very Wise and Difficult to please said: "I will go Hence and

Look Around." And verily she ranged the Market Place from End to End!

And at the setting of the Sun she returned to the First Shop, (Prices), saying: "I am tired but Satisfied. Lo, I have looked my Fill and can find no Silverware that Pleaseth me like Alvin Plate."

### ANNOUNCE BAPTIST HOMECOMING PLANS

Several Members Will Speak at  
Afternoon Program Sunday—  
Students to Be Guests

The program for the annual Homecoming at First Baptist church to be held next Sunday has been outlined by the program committee, C. H. Story, Alex. Rabjohns and L. B. Turner. The regular Sunday school and preaching services will be held in the morning at the usual hours. Each family is requested to bring a well-filled basket, enough eats for the members of the family and one or two additional persons. If families will bring their own dishes, dish washing at the church will be eliminated and the ladies can enjoy the afternoon program.

As chairman of the program committee, C. H. Story will preside. A song service will open the meeting, and the following addresses will be given:

"If I Were Pastor of First Baptist Church"—Byron Stewart.  
"First Baptist Church in the Early Days"—Mrs. Lottie Greenleaf.

"Twenty-five Years in First Baptist Church"—Joseph Shreve.  
"As It Looked to Me When I Landed in Jacksonville"—Prof. R. H. Lacey.

"Looking to the Home Church from California"—Miss Laura Hayden.  
"First Baptist Church and the Home Life"—Rev. W. R. Johnson.

Each speaker will be allowed six minutes in which to handle his or her subject. The Baptist students are especially invited to attend the Homecoming services, dinner and program.

### CENTENARY ARRANGES FIRST CHURCH NIGHT

Wednesday Night Gatherings Will  
Be Resumed, Combining Social  
and Religious Activities.

The first "Church Night" of the fall and winter will be held at Centenary church Wednesday, October 17. The "Church Night" is a plan whereby the members and friends of the church are brought together in a social as well as a religious way, and spend an evening in the activities which center in the church. It makes possible the transaction of such church business as must be done during the week without unduly taxing the time or energies of those concerned. At the same time it affords opportunity for certain forms of activity of a more especially religious nature which cannot be carried on in connection with the Sunday services. In this way, it extends the usefulness of the church and enlarges its program of service.

Wednesday will be "Church Night" at Centenary church during the winter. The evening's program is as follows:

6 p. m. Supper.  
6:45 p. m. Study classes.  
Training class taught by Professor Stearns.

Bible study class taught by Rev. C. D. Robertson.

7:30 p. m. Devotional period.  
8:45 to 10 p. m. Social period.

The supper is served at a nominal price and is in no sense a formal meal; it is for the convenience of those who work during the day that they may avail themselves of the other features of the evening without the necessity of going home from their work and coming back to the church. At the same time it affords an opportunity for social intercourse and fellowship.

The study classes and social hour are very interesting, and provision will be made for the entertainment of all the different age-groups during the period that follows the devotions.

**FARM INSTITUTE IN  
Franklin Oct. 30-31**

The Morgan county farm institute has been announced for Oct. 30 and 31 and will be held in Franklin. A great deal of interest in this year's institute has already been shown and the indications are that the sessions will be well attended.

Quite a long list of premiums will be awarded in both the agricultural and household science departments and it is expected that there will be numerous entries in both departments.

Prof. R. E. Muckleroy of Carbondale will be one of the institute speakers and will discuss topics of general interest to farmers. J. C. McCarrell of Kinderhook, Pike county, will also appear upon the program and will give a lecture upon soils.

The household science department will be under the direction of Dr. Eva M. Wilson of Manhattan, Ill.

**LOCAL MEN TO ATTEND  
A. H. T. A. CONVENTION**

The State Anti-Horse Thief association is to be held in Taylorville today and tomorrow, and a number of Morgan county men are expected to be present. The opening session will be held this morning and the delegates will be guests at a banquet to be given this evening at the Presbyterian church in Taylorville.

Among the local men who are to attend the convention sessions are the following: Charles S. Black, Charles A. Rowe, N. T. Fox, Stanfield Baldwin, G. W. Patterson, Stephen Dunlap, Elmer Smith, Clyde Cooper, J. A. Moss, William G. Richardson, Clyde D. Black, Richard Leake, P. R. Briggs, Edward Patterson, Newton Flynn, T. B. Fozzard, Frank Wigginjost, William Batz, Carl Hembrough, Samuel Butler, Oscar Brainer, C. O. Leake, A. C. Reid, John W. Lazenby and Richard Leake.

## White Sox Again are Chicago City Champs

CHICAGO, Oct. 16.—(By The Associated Press)—The White Sox again are Chicago City champions. By beating the National League Cubs 4 to 3, in 10 innings today, the Americans won the series four games to two. Two fumbles and a wild throw by George Grantham gave the Sox the championship. The first fumble came in the ninth inning in which the Sox scored twice and knotted the count while the second fumble and wild peg came in the tenth and allowed the Sox' winning run to score.

It was the eighth city championship the Sox have won from the Cubs, who have earned the title three times. The National Leaguers won their last time last year the first time in thirteen years.

Tony Kaufmann hurled the route in the final game for the Cubs. Urban Faber, Ted Lyons and Gorman V. Leverage pitched for the Sox.

Both Cubs and Sox had men on bases in the first three innings but failed to score. But in the fourth the National Leaguers broke out with a run to grab the lead. Grimes started with a single to center and Friberg sacrificed. On a hit and run play Miller caught the leather on the handle of his bat and shot a single to left. Grimes romped home.

Grantham drove a home run over the rightfield screen near the foul line for the second National League run in the sixth inning. Two freak hit balls gave the Sox their first run in the seventh session. With two out, Barrett drove a long fly to left field and the ball hit the flag pole on the foul line and bounced and rolled nearly back to third base. Barrett made a triple out of the blow. Hooper drove a wicked bouncer at Kaufmann who deflected the ball but Grantham's throw was too late to catch Hooper at first and Barrett scored. Faber being yanked for a pinch hitter in the Sox seventh inning, Ted Lyons took the slab in the eighth and was nicked for the one Cub run in the ninth, a homer into the left field bleachers by Friberg.

But the Sox tied the count in the ninth with two runs. Mostil batted for Lyons with one out and was safe when Grantham fumbled. Crouse's fly was the second out of the inning. Barrett singled thru Adams and Mostil went to third and Barrett to second when Statz threw wild. Friberg fumbled. Hooper singled to right scoring Mostil and Barrett.

ret but was out trying to make second.

The finish came in the tenth inning with two out. Collins walked to open the inning and Sheely sacrificed. Falk fled out but Kamm drew a base on balls. Then, McClellan sent a fast hopping grounder to Grantham who fumbled it and then threw low to first base and Collins dashed home with the run that won the series.

## Hidden Ball Play Is Good Ground Gainer, Dangerous Threat

BY ROBERT C. ZUPPKE  
Football Coach, University of Illinois, Author of "Football Technique and Tactics"

This is a particularly effective weak side play.

The fullback takes a direct pass from center, turns the upper part of the body and takes giving the ball to the quarter. This momentary delay permits the inside half to cross for interference. The dangerous defensive players are the right guard and tackle but they lay themselves

open to be taken out because the play appears to start to the other side.

The fake by the fullback must be a fast one, then he plunges in hard and low.

This play was used as a consistent ground gainer by Jack Crangle, Illinois fullback, in 1919 and 1921. Although it was well known to be in the Illinois repertoire, still it often gave ground.

The next play will be No. 5—a crisscross, attacking the weak side.

## JOE KIRKWOOD WON STATE GOLF TITLE

PEORIA, Ill., Oct. 16.—Marked by a streak of play seldom equalled in golfdom, Joe Kirkwood, Australian champion, completed his 72 holes winning the open championship of Illinois by a margin of four strokes.

Jock Hutchison claimed second honors.

Hutchison had completed the course, carding a total of 289. Kirkwood, aware of the former's score, stood at the final eighteenth tee with a score of 285. A sizzling 285 yard drive placed him abreast the flag but buried deep in the far bank of a deep bunker, five feet below the green. Never was a shot studied more deeply. The ball snapped across the sand, rose to the green and dropped short, then rolled deliberately on, toppling into the cup for a eagle two.

More brilliant play marked the progress of the day as the professionals grew accustomed to the difficult Peoria Country club course. The sensation of the day was the score of Jack Burke of St. Paul, who broke the course record in the afternoon round with a score of 68, four under par.

Captain Carter, Flossmoor, Chicago, was the only amateur to place with the prize winners, taking fifth place in the field.

## TEMPORARY SEATS FOR STADIUM GAME?

URBANA, Ill.—When George Huff planned a stadium that would seat 55,000 persons, divers wise birds declared that it would be years before it would be filled. This week arrangements were made to build temporary bleachers on the south and north ends of the playing field, so that they could quickly be put up if needed.

For tickets for the Chicago-Illinois game on Nov. 3 are selling like hot cakes. Just about 1,000 a day go out in the mails and over the counter in the athletic association ticket office.

And there are just about 13,000 left. That means that 42,000 are gone. Nearly three weeks remain before the strong Maroons invade the Stadium. Unless the demand abates, it looks as if there is some prospect of a sell-out before the whistle blows.

The temporary stands will not seat more than 4,000 at best. Perhaps they will not be needed, but it would be safer to guess the other way right now.

There are no restrictions of any kind on the sale of tickets and the appreciation by the public of this boon is one reason for the big advance sale. There is an excellent demand also for reservations for the Wisconsin engagement on Nov. 10 but the crowd will fall far below the opening assembly.

They will work up to the last minute to get the Stadium ready but it will be. Just now they are concentrating on the completion of the ramps which run to the balconies. A majority of the wooden seats are bolted to the concrete.

Elaborate arrangements are being made to care for the traffic and parking and other arrangements will soon be announced.

## CLARK IS ELIGIBLE FOR ILLINI SQUAD

URBANA, Ill., Oct. 16.—Coach Bob Zuppke gained a good back for his Illinois squad tonight when it was announced that Rune Clark, regular quarter last year had passed examination and was eligible to play. Clark has been working with the squad since practice opened, and is in condition if Zuppke needs him at Iowa Saturday. He has been used as a halfback this season.

Freshmen scrimmaged against the varsity tonight using Iowa plays. They are taking no chances of overconfidence at Illinois despite reports that Iowa's showing Saturday against Purdue left Coach Jones a good deal to ponder over.

Coach Zuppke and his assistants have refused to interest themselves in preparations for the Northwestern or Chicago tilts.

The Hoosier Sub Carburetors are here. Phone 1708 and make arrangements for a time to get yours on.

Mr. and Mrs. John Weber and Mr. and Mrs. Aaron Petefish were among the local shoppers from Concord and vicinity Tuesday.

## IOWA WORKING FOR ILLINOIS SATURDAY

Seven Undefeated Big Ten Teams Meet Each Other This Week-End in Important Games

CHICAGO, Oct. 16.—Anxious to keep their conference records clean, seven undefeated Big Ten football teams are preparing to take the field against each other next Saturday. With Purdue and Northwestern eliminated for the present from championship consideration by reason of defeats by Iowa and Indiana respectively, other conference elevens have begun practice sessions designed to keep them from the list of beaten which will be spelled by sundown Saturday.

Ohio State which held Colgate to a tie last Saturday and which meets Michigan at Ann Arbor this week, is stressing its overhead attack, which worked to advantage against the eastern team and on which the coaching staff is relying for points from the Wolverines. Coach Yost of Michigan in secret practice, is working to develop greater strength than the team exhibited against Vanderbilt, vanquished last week. Kicking and passing are being given attention.

Intensive drill to perfect plays balked by Purdue last Saturday is being carried out at Iowa whose scouts have brought word of the strength of Illinois, opponents of the Hawkeyes, this week. The Illini had a two touchdown margin over Butler last week and with Grange flying halfback in the line-up are building up offensive and defensive plays.

Wisconsin will engage in its first conference battle, taking on Indiana conqueror of Northwestern. Stress is being paid by the Hoosier coaches on the forward pass, which has been one of the weak points of the team. The Badgers who meet Minnesota on the following Saturday are anxious to start with a clean slate and

## are preparing for a stiff fight.

The Northwestern squad, scheduled to meet the neighboring Chicago Maroons is trying out new formations and improving its kicking which was a factor in its defeat by Indiana last Saturday. The Maroons after a lay of last week, are being speeded up by Coach Stagg, whose practice program calls for hard sessions during the week. Minnesota's last non-conference game will be played with North Dakota university Saturday. With many of the squad on the casualty list light practice will be the order of the week. Purdue will engage Wabash before getting into the conference campaign against Chicago next week.

Practice for the inter-sectional conflict Saturday with Princeton was begun today by Notre Dame, not included among Western Conference teams. Stuhldreger, quarterback and Hayden, back and chief aggressor against the army last week were not expected to get into practice before the last of the week, owing to injuries.

## EX-SEC'Y. CHRISTIAN MAY BUY BALL CLUB

CLEVELAND, O., Oct. 16.—George B. Christian, Jr., former secretary to the late President Warren G. Harding is negotiating for the purchase of the Cleveland Indian baseball club according to news despatches received here today from New York. The despatches state that Christian was in conference with B. B. Johnson, president of the American League in New York today. When asked regarding the reports, E. S. Gardner, president of the Indians said he knew nothing about it but did not believe it was true. Mrs. James C. Dunn who owns the majority of the stock in the club when called over the long distance telephone at her home in Chicago stated that she had heard nothing of the deal.

## JUNIOR WORLD'S SERIES GAMES POSTPONED

KANSAS CITY, Mo., Oct. 16.—Lowering clouds and a forecast of rain made it seem extremely unlikely tonight that the fourth game of the Junior World's Series between the Kansas City team of the American association and the Baltimore International League champions would be played tomorrow afternoon, officials of the clubs asserted tonight, however, that the game would be played if not more rain should fall before tomorrow afternoon. If the game should be played tomorrow the teams will depart tomorrow night for Baltimore to conclude the series.

The fourth game was postponed for the second time today on account of the sloppy condition of the diamond.

## ZEV IS READY TO MEET MY OWN

JAMAICA, N. Y., Oct. 16.—Zev is ready to meet My Own in a special \$10,000 at Laurel, Oct. 25, if he beats Papyrus in the \$100,000 international contest at Belmont Park next Saturday, while the English Derby winner, victorious or defeated will sail back to England next Tuesday, unless ordered otherwise by his owner, Ben Irish.

Sam Hildreth trainer of the Rancoas stable in which Zev is included this afternoon accepted the chance to meet Admiral Grayson's horse upon receipt of a telegram from Spaulding Lowe Jenkins, president of the Maryland State Fair association.

Balis Harris, trainer of Papyrus said he had completed plans to ship his steed back home next week and would do so unless otherwise directed by the owner.

## KNOX PREPARING FOR HOMECOMING GAME

GALESBURG, Ill., Oct. 16.—With two of his regulars out of the line-up for the rest of the season on account of injuries received in the game with Millikin last Saturday, Coach Van Liew of Knox is drilling his men hard this week in preparation for the homecoming game with Carleton here Saturday. Doocy was taken out of the Millikin contest with a fractured collar bone and Simpson sustained a split nose, making it impossible for either to play the rest of the season.

## WHY THEY PARTED

"I was down with pain in my  
right side which at times almost  
crazed me. Most all of the doc-  
tors said operation. But what I  
want to tell you is the pain dis-  
appeared with the first dose of  
your medicine and I never see  
any since. Mayr's Wonderful  
Remedy has the right name—gas-  
tric stomach and dyspepsia have  
left, too." It is a simple, harm-  
less preparation that removes the  
catarrhal mucus from the intes-  
tinal tract and allays the inflam-  
mation which causes practically  
all stomach, liver and intestinal  
ailments, including appendicitis.  
One dose will convince or money  
refunded. For sale at all drug-  
stores.—Adv.

"So" at 50, Chicago & North-  
western at 60 1/2 and the preferred  
at 105 and Colorado & Southern  
at 20.

A few issues made partial re-  
covery before the close, the net  
losses in this group ranging from  
1 to 3 1/2 in the case of Northern  
Pacific and four for Chicago &  
Northwestern preferred. Nearly  
all scores of industrials also fell to  
new lows for the year including  
National Enamelling, which lost  
ground on unconfirmed rumors  
that the common dividend was in  
danger; Adjax, Goodrich and  
Kelly Springfield rubbers, which  
were weakened in reflection of low  
tire and crude rubber prices;

Butte Copper and Zinc, which was  
adversely affected by the lower  
price for the red metal and Cen-  
tral Leather preferred which has  
been under pressure as a result  
of unfavorable trade conditions.

Among the others to hit new  
bottoms were Cocoa Cola, Arm-  
our of Delaware, preferred, Pres-  
ident Steel, Matheson Alkali  
and United Cigar Stores.

Most of the selling originated  
with professional speculators for  
the decline, who were quick to  
seize advantage of this apparently  
unfavorable development. Buying  
support made its appearance in  
the late trading but it failed to  
bring about a rally of any propor-  
tions.

Moderate gains were recorded  
by active U. S. Government bonds,  
giving rise anew to reports that  
Great Britain is in the market to  
meet her new interest payment  
on the British debt.

Total bond sales (par value)  
\$10,487,000.

## SAFE CRACKERS AT WORK IN WHITE HALL

Safe of White Hall Lumber Co. Entered Monday Night and Small Sum Taken—Attempted Robbery at Ford Garage—Other White Hall News

White Hall, Oct. 16.—When attaches of the White Hall Lumber Co., opened business this morning, they found that the safe door had been opened during the night, but all that was missing is two dollars in money. The thieves evidently succeeded in working the combination. At E. J. Lukeman's Ford garage on South Main street another visit was made, and apparently not being able to work the combination, they worked on the safe with a sledge hammer and a chisel, doing considerable damage to the safe without getting into it.

Miss Moore a Bride  
With the resignation today of Miss Lucille Moore as an operator for the Illinois Telephone Co. there is revealed the first news of her marriage on October 3rd at Elmhurst, Mo., her husband being George Van Horn of Jerseyville. Mr. Van Horn has been managing a filling station at Cushing, Okla., since August 1st, and it had been planned for their marriage a month hence. However, he was called back on business, and the marriage was decided upon at that time, the ceremony being performed by the pastor of the Christian church. Mr. Van Horn proceeded to Cushing and the bride resumed duty at the local telephone exchange. She is the daughter of John D. Moore, residing on South Main street. She will proceed to Oklahoma the first of next week.

the order. Local arrangements are in the hands of W. P. Lindsey, and he is having a tussle with the weather man on the weather program, and he has about decided that the weather man is to beat him out of another glorious day in the interest of White Hall and Greene county. A telegram from J. D. Rowe, who went to Springfield Monday to be on hand in making arrangements, states that the White Hall band will be placed in the lead of the Green county delegation.

The final racing matinee of the season by the White Hall Driving club is announced for next Friday on Pine Grove track. There are three events, beginning at 1:30 o'clock, and they consist of a free-for-all and a 2:20 trot in mile heats and a green trot and pace in half mile heats. Some of the starters in the free-for-all pace will be Mary R. 2:16 1/4; Earl Dillen, 2:13 1/4; and Lippy Forbes, 2:17 1/4. C. R. Amos is president and A. E. Knight secretary.

### MEREDOSIA

## GERMAN MORTALITY RATE IS DECREASED

BERLIN—(By the A. P.)—Germany's birth rate for the second quarter of 1923 shows a decided decline, according to official figures for 46 German cities. In the corresponding quarter of 1922 there were 75,726 children born, as against 65,924 this year. For the first quarter of 1923 the number of children born was 69,630. The birth rate is now down almost to the lowest level of the war period. Commenting on the figures the medical weekly says: "As there is a firm ratio between the dollar rate and the birth statistics a further big decline is expected." On the other hand the mortality rate is not so high for the second quarter of this year as it was in 1922. There were only 52,446 deaths in the second quarter of this year as contrasted with 55,345 for the same period last year.

### INDUSTRIAL CASE HEARING HERE TUESDAY

A hearing was had at the court house Tuesday in the case of Carl Willner, who sustained an injury a number of weeks since at the Jacksonville Reduction Co.'s plant. E. M.
